Annual Report 2020 - 2021

In spite of being surrounded by all the lush greenery and serene atmosphere, we at CHIC and this tiny District of Kodagu, were all caught up in a swirl of panic and anxiety, riding on yet another wave of the pandemic that took us through a stormy year of 2020 - 21. This pandemic hit us, especially on hearing about all the mutated variants and the surge, claiming a lot of lives around us!

We at CHIC missed interacting with our students throughout the academic year 2020-21 and continue to do so in 2021-22. **"We are all connected and we are all One."** Checks have been kept by all the staff, who were monitoring the welfare of the students and their families regularly. Medicines were administered to all our students requiring it, every month and food kits were also provided. With the constant advice, staying connected with students and staff in these unprecedented times, wasn't an easy task.

"Every thought of yours is a real thing - a force" - Prentice Milford - and with our thoughts being always on the welfare of our children, their families and our Staff, thank God we have been successful in combating the pandemic, - 1st and 2nd wave, here at Cheshire Homes India Coorg! We have overcome the wave and have surged forward in safety, riding on the wings of hope.

As Leonard Cheshire so rightly put it **"We need to set our sights high, to be satisfied with nothing less than the best, and to commit ourselves totally and unreservedly to participate in the struggle to build a more livable world."**

We were able to achieve this with the relentless support and commitment rendered by the 14 Committee members, Volunteers, our Headmaster, staff, by our Donors and the public.

In the Lion King - King Mufasa tells his son Simba---- "we are all connected in the great Circle of Life" - Our magnanimous donors - in giving, you have brought hope to us to continue striving, and to enable our children with special needs, to rise up and face life's obstacles. And like the proverbial pebble dropped in water, each act of kindness creates half a hundred ripples, circling on and on!

To serve is beautiful, but only if it is done with joy, a whole heart and a free mind" - Pearl S Buck. This is applicable to our Headmaster Mr. Shivaraj about whom a special mention should be made. In spite of the students not attending he has been monitoring each and every student and also supporting the Committee in all that is done.

With mankind's greed overpowering our needs, we have denuded our forests, polluted our air and water, and mindlessly exploited our earth's resources, thereby threatening our own survival! We at CHIC have done our wee bit by planting saplings in our surroundings, along with the members of the Gram Panchayat of Pollibetta who provided the saplings.

Through its 2 Community Based Rehabilitation Programmes by JOAC -UK, from 2003 - 2006 and by the Big Lottery Fund -UK - from April 2006 to 2011, CHIC worked in 38 villages with over 950 Persons with Disability, their caregivers and various stake holders. **This programme was recognized by United Nations as "Best Practices for including persons with Disabilities in all aspects of development efforts"**

This institution has grown from strength to strength and our main support has been our donors and well-wishers who have always contributed so whole heartedly. In recognition of the Institution's progress and commitment.

CHIC has won 2 State awards for excellence for the Institution, in 2013 & 2018. The Chair Person has won the "SKOCH Award for Social Inclusion "in 2019 from SKOCH Foundation- Delhi & 2 individual State awards for Social work in 2018 & 2020 . Our students too have achieved a number of awards over the years including " Well-disciplined team" , "overall Runners up - Team Championship" trophy, "fastest girl , & boy" and have made everyone proud of their achievements.

The Head Master has been honoured at the District level and locally by the Lions Club of Pollibetta.
